The Supplier's supply of the Goods constitutes acknowledgment of and agreement to these Conditions.

SUPPLIER'S WARRANTIES

2. The Supplier expressly represents and warrants to the Purchaser that:
 - (a) upon delivery of the Goods the Supplier has good title to the Goods, which are free of all liens, encumbrances, and other forms of security interests or third party rights to the Goods;
 - (b) the Goods supplied are fit for the purpose for which they are bought by the Purchaser, are safe and free from defects in design, materials and workmanship;
 - (c) the Goods conform with the technical specifications and performance specifications specified by the Purchaser, and if the Purchaser has not specified any such specifications, then the Goods conform with technical specifications and performance specifications represented by the Supplier and also implied by the proposed use of the Goods;

 - (g) the Goods will be professionally packed for sea, road or rail transport, as appropriate, so that the Goods will not be damaged in transit.
3. The Supplier warrants that the Goods, their packaging, loading, transportation and importation (if relevant) shall comply with all local health and safety laws, as well as applicable New Zealand laws, regulations, standards and codes, including Chain of Responsibility Legislation and the Dangerous Goods Transport Rules (if applicable).
4. If the Goods include transport services, and the goods being transported by the Supplier are delivered late or are lost, stolen or damaged in any way, the Supplier indemnifies the Purchaser for all reasonable loss, costs, expenses and damage of any nature arising directly or indirectly as a result of such occurrence. This clause shall apply notwithstanding any clause in the Supplier's trading terms which might otherwise have the effect of excluding or limiting such liability.
5. The Supplier fully indemnifies the Purchaser (including its officers, employees, Related Bodies Corporate and agents) with respect to all loss, costs, expenses and damage of any nature (including those incurred by the Purchaser as a result of a product recall) arising directly or indirectly from:

This clause shall apply notwithstanding any clause in the Supplier's trading terms which might otherwise have the effect of excluding or limiting such liability.

RIGHT OF REJECTION

6. The Purchaser has the right to reject the Goods or any part of them at any time for the Supplier's failure to comply with the Contract, including the failure of the Goods to meet the Purchaser's specifications as notified to the Supplier. Upon any such rejection:
 - (a) risk of damage and loss of the Goods shall be borne by the Supplier. The Purchaser shall notify the Supplier of the rejection in writing and the Supplier shall (at the Supplier's expense) retake possession of the Goods rejected by the Purchaser;
 - (b) the Purchaser is under no obligation to pay to the Supplier the price of the Goods rejected;
 - (c) if requested by the Purchaser, the Supplier shall immediately replace the rejected Goods with those that comply with the Contract; and
 - (d) the Supplier shall indemnify the Purchaser for any cost, loss, damage or liability (including without limitation loss of production or profit) suffered or reasonably incurred by the Purchaser and as a result of such rejection.
7. The making of payment for the Goods or the signing of a delivery docket or other acknowledgment of delivery does not prejudice the Purchaser's right of rejection, and upon a written notice to the Supplier, the Purchaser may deduct the amount of any payment made for rejected Goods from any present or future sums payable to the Supplier.

PRICE

8. All prices in the Purchase Order are fixed or, if a period is specified in the Purchase Order, fixed for that period and are inclusive of sales tax,

duties and any other government imposts. No charges will be allowed for packing, crating, freight, cartage, duties, other taxes or imposts or any other costs incurred by the Supplier, unless expressly provided in the Purchase Order.

PAYMENT

11. Terms of payment are by cheque, credit card, direct debit or other form agreed between the parties. Time for payment will be 62 days from the completion of the month of the invoice, unless otherwise agreed between the parties in writing.

Where required by law or at the request of the Purchaser, the Supplier must provide all necessary certificates of conformance, certificates of analysis, test certificates (in English), labels, markings and Material Safety Data Sheets in relation to the Goods.
13. Time is of the essence in so far as it applies to the Supplier under the Contract.  - (c) agree to extend the time for delivery of the Goods.

18. For the duration of the warranty period, the Supplier warrants that the Goods will remain free from any defects, deficiencies or other faults. Any defects, deficiencies or other faults in the Goods which become apparent during the above period shall be repaired or otherwise remedied, by replacement if necessary, at no cost to the Purchaser.
19. If any part of the Goods fails during the warranty period, a fresh warranty for the same period commences in relation to the repaired or replaced item from the date when the Supplier receives the repaired or replaced item. The Supplier is liable to the Purchaser for any costs of removal, packing, transportation and reinstallation in relation to repaired or replaced Goods.

24. In addition to the Purchaser's rights under clause 24, if the Supplier fails or is unable to perform any obligation under the Contract and does not rectify such failure within thirty (30) days after the Purchaser has given written notice thereof, the Purchaser may terminate the Contract by giving seven (7) days prior notice in writing of its intention to do so, at the expiration of which period the Contract ceases immediately but without prejudice to any of the rights of the parties existing prior to the date on which the termination notice is served on the Supplier.

26. Upon or at any time after the Purchaser is subject to the events in clause 25(c), the Supplier may terminate the Contract by notice in writing to the Purchaser without being or becoming liable to make any further deliveries (except for those which have been paid for by the Purchaser).

27. Either party may terminate the Contract if any event of *force majeure* happens and extends for over sixty (60) days, provided that:

- (a) the event must be the direct cause of the stoppage of, impediment to or delay in the performance of the terms of the Contract;

32. The Purchaser may set-off any amounts owed by it to the Supplier under the Contract against amounts owed by the Supplier to the Purchaser on any account whatsoever, upon a notice from the Purchaser to the Supplier in relation thereof and the set-off shall become effective when the notice reaches the Supplier.

38. The Supplier acknowledges that the Goods may be resupplied by the Purchaser to Related Bodies Corporate of Purchaser and that the covenants, representations, warranties and indemnities given by the Supplier in any Contract shall continue to apply notwithstanding such resupply. If as a result of Supplier's breach of a Contract or negligence, any such Related Body Corporate of Purchaser suffers loss or damage ("Purchaser Group Loss") the Purchaser Group Loss will be deemed to be loss or damage of Purchaser; and Supplier will be liable to Purchaser in respect of the Purchaser Group Loss as if loss or damage of exactly the same character as the Purchaser Group Loss had been suffered by Purchaser.
