

Visy Beverage Can

Range guide

/ CLASSIC

Iconic, nostalgic, timeless.

Classic is the perfect beverage can for traditional and widely consumed beverages such as soft drinks and beer.

/ SLEEK

Stylish, sophisticated, effortless.

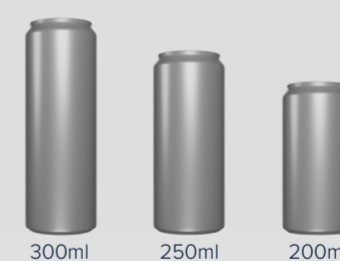

Sleek cans blend great design with functionality for hand crafted beverages like seltzer and sparkling drinks with unique profiles or special blends.

/ SLIM

Modern, elegant, convenient.

Slim cans are primarily used for ready-to-drink beverages, particularly those marketed as healthier or more sophisticated. Slim cans are also suitable for smaller serves and portion control.

Bring your brand to life

Our **Slim**, **Sleek** and **Classic** cans are lightweight and durable making them ideal for preserving product integrity and freshness.

Make your beverage can stand out in-market, across a variety of segments and customers, with customised can size and print design.

Visy cans are made with recycled content, reducing emissions and landfill. Plus they're easily recycled through kerbside recycling or a local container deposit scheme drop off point.
